HACCP International Pty Ltd certifies the products listed above as food-safe and suitable for use as an aid to sanitation in ice-making machines when installed outside the food zone of the ice-making machine.

IceZone X Series products are suitable for installation in food handling areas of facilities which operate a HACCP-based food safety program.

All such equipment is to be installed and operated in accordance with the manufacturer’s instructions and recommendations.

Licence Commencement	31 January 2015
Certificate Issue Date	17 September 2015

HACCP International’s evaluation and certification is strictly confined to matters of food safety or the operation of a HACCP based food safety programme. Whilst all reasonable care is taken by HACCP International in its evaluation of the product(s) or services(s) described herein, HACCP International does not guarantee that every food safety risk in every application has been identified. No guarantee is offered or implied in the issuing of this statement.

Licence Agreement

BioZone Scientific International Ltd is licensed to use the HACCP International certification mark, in accordance with HACCP International’s Certification Trade Mark Rules and Conditions in Region 1 for a period of 24 months from the licence commencement date. BioZone Scientific International Ltd is in receipt of the HACCP International Certification Trade Mark Rules and Conditions v3.0 and agrees to abide by the conditions therein.
