

# **MAKA Power Ltd.**

## **Preferred Power Program™ (PPP)**

---

### **Why join MAKA Power's Preferred Power Program™?**

---

#### **1) Managed Service - Continuity & Reliability**

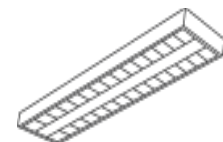

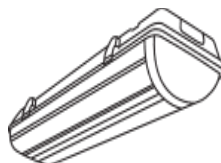

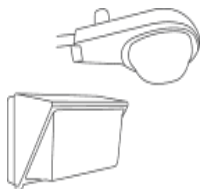

- Having one firm provide all electrical services allows for higher quality and more efficient work.
- Building/Facility Audit
  - MAKA Power provides a one of a kind facility audit to gain in depth knowledge on your property.
- Guaranteed workmanship
  - MAKA Power stands behind their work and guarantees quality.

#### **2) Preferred Service Program™ (PSP)**

- Preferred Rate
  - MAKA Power will provide a rate lower than industry average upon acceptance.
- Limited Membership Capacity
  - MAKA Power only allows a certain number of PPP's to ensure our promises can be met.
- 24/7 services
  - You can count on MAKA Power 7 days a week 365 with our on call number.
- Site Intel Technology Enablement (SITE)
  - Your business will have a customized profile in MAKA Power's enablement software with all information obtained through the facility audit.

#### **3) Loyal & Designated Journeymen**

- MAKA Power will designate 1 to 3 journeymen electrician to exclusively work in your facility.
