WELCOME

Hi! I'm Ms. Teresa Young!

I am so excited to be teaching your child this school year! I have been teaching for 17 years, but been teaching at Carter G. Woodson School for 9 years. I absolutely love children and enjoy teaching them the necessary grade level concepts needed to move on to the next grade. This school year will be filled with fun, lots of learning, and new adventures as we continue learning remotely! Welcome to 1st Grade!!

A Little About Me:

I have a beautiful 11 year old daughter, Emiyah. I graduated from Elizabeth City State University in Elizabeth City, NC with a Bachelor Degree in Sociology and Winston Salem State University in Winston Salem, NC with a Bachelor Degree in Birth to Kindergarten/Teacher Licensure. I obtained my Masters Degree in Early Childhood Education from Ashford University. I am a firm believer that "All Children Can Learn" no matter what challenges he/she may face. It is my job as an educator to make sure my students learn the concepts that is being taught and achieve their academic goals throughout the school year.

Parents: I will be using Google Classroom to post weekly assignments for my students to complete and submit. It is very important that parents help their child everyday with using this remote learning tool. I will be using ClassDojo this year again to communicate effectively with ALL my parents, so I would like ALL of my parents to connect to that when I provide you with the invite information. I have all my contact information on the previous page under my picture, so feel free to contact me at any time with any questions throughout this school year.
