Mr. Cumbo

- My name is Mr. Cumbo. I am a visual artist, that specializes in digital art and hand-drawn illustrations. I like to use different mediums like acrylic paint, ink, pastel, and markers.
- I was born and raised in Winston-Salem, North Carolina where I became exposed to the thriving art culture the city provided throughout my life, such as the Sawtooth School of Visual Arts.
- After completing high school and studying from UNC: Asheville, I decide to keep my involvement with Winston-Salem by helping the art community and teaching art.

Our Mission

As an art teacher, I work primarily to bring knowledge of artistic and creative concepts to students in elementary and early-learning environments.

Visual arts can help students understand artistic concepts in various types of visual communication, including drawing, painting, ceramics, and design.

Virtual Classes

Students will receive assignments via ClassDojo or any other platform in further announcements. Visual Arts will not be graded like other curriculums.

Homework

- Assignments will be graded based on completing the work I give to students.
- These are fun activities that can get their mind occupied while they're safely at home.

Classwork

- **Students will also receive their previous artwork that were not completed throughout the school year.**

Questions?

BYE!

If you have any questions about the remote class, please email me and I will respond as soon as possible.

Email: ccumbo@cartergwoodsonschool.org

I hope everyone had a safe and wonderful summer and hope to make the best out of these next few months during remote learning.
