

# Meet

## Ms. Kollman

### About Me

Last year was my first year of teaching at Carter G. Woodson School.

During Covid-19, I have been sending recordings of trumpet parts to my friends in Cape Town, South Africa, to be compiled in recordings used for Sunday services.

I am married to an awesome trombone player, Mr. Salzwedel, and have 2 furry beasts, which may visit us virtually.

I am excited to teach you all this year. I have so many new things we can do in class together.
