## About Me

Hello class! Welcome to the 6<sup>th</sup> Grade! My name is Ms. McNeill. I am so excited to be your teacher for the 2020-21 school year. This year will not be like any other school year in the past. I will work alongside parents and students to ensure a successful year. Remote learning is a new and exciting adventure, that we will complete together! I am excited to see what this year has in store for us!

## Education

I graduated from the illustrious Winston-Salem State University (WSSU) with a Bachelor's in Interdisciplinary Studies and a minor in Elementary Education.

# Remote Learning

## Clever

We are going to utilize Clever. Clever provides easy internet one-stop access to all the applications and software management systems that our students use. Prior to the global pandemic, Carter G. Woodson School utilized I-Ready, Studyisland, Khan Academy, Brainpop, Mobymax, and google classroom, as well as other programs. With Clever, the student will need to log-in once to get access to all of these applications.

Please check-out our new CGW Online on our school's website.

## Google Classroom

Our class will be accessed through google classroom. Google classroom is where you will find important announcements, homework assignments, and grades. Below I have hyperlinked some information that should make joining our google classroom much easier.

Each class has a specific class code, that is needed when first accessing the classroom. Our class code is "ev77y5p". The classroom can also be accessed through invitation.
