### About Me

Hello, my name is Taylor Bellamy. This is my first year teaching Middle School Social Studies and I am very excited to get started at Carter G Woodson School! We are going to have a great year! I was born and raised in New Haven, Connecticut. I have a great passion for history, cooking, and animals. Social Studies will be filled with wonderful learning activities. I can't wait to get to know each one of you, because in our classroom, we will truly become a family!

### Education

I graduated from North Carolina Agricultural & Technical State University with a Bachelor's in African American Studies. I am currently pursuing my Master's in Curriculum Development.
