## About Me

Hello my name is Atiya Bey and I am excited to be your child's teacher this year. This year will be my 10th year teaching. I have taught kindergarten, 1st and 3rd grade. I graduated from North Carolina Central University in 2007. I also received a masters degree from WSSU. Due to difficulty circumstances we will start our first semester off with virtual learning. I am excited to work with parent and students to get the best education possible.
