

## **Ontario Waterpower Champions Charter**

Our Council is committed to building the best possible quality of life for our residents. That means providing services, programs and amenities that make our community a great place to live, work, play and learn. It also means taking steps to think strategically about our future. Strategic thinking requires leadership, long term commitment and an unwavering responsibility to engage those we are elected to serve.

The Ontario Waterpower Champions Charter is a framework for Council to demonstrate its commitment to integrating and balancing its socio-cultural, economic and environmental goals

### **The Commitment of Waterpower Champions:**

- We support the use and expansion of local waterpower;
- We support historical infrastructure and refurbishment opportunities;
- We conserve and enhance our man-made and natural environment;
- We value the voices – all of the voices - of our community; and
- We work with others collaboratively to create opportunities.
