December 10, 2019

Dear Colleague:

The next educational meeting of the Cleveland Society of Obstetricians and Gynecologists will be on January 15, 2020 at the DoubleTree Hotel at 6200 Quarry Lane, Independence, Ohio 44131, 216/447-1300. A copy of the program is enclosed.

The registration fee with CME credits is included in your paid dues. If you have not paid your dues for this year please plan to do so at the meeting, or if you need your invoice resent you can request it at [clesog@gmail.com](mailto:clesog@gmail.com)

If you are not yet a member but would like to attend, the cost is \$60.00 and includes 3.75 *AMA PRA Category 1 Credits™* and can be paid at the meeting.

Be sure to mark your calendar for our future meeting on:

***March 18, 2020 Adolescent GYN  
May 20, 2020, 1:00-5:00 pm Research Day***

You may RSVP by replying to this correspondence. We hope to see you at the meeting.

Sincerely yours,

*Johanna O'Neill/pw*

Johanna O'Neill, MD  
Secretary

### **LEARNING OBJECTIVES & PROFESSIONAL PRACTICE GAP(S)**

#### **After this session, participants will be able to:**

1. Describe the sexual assault forensic exam and the value of interprofessional involvement in the patients care
2. Explain safety assessment and coping concerns in the clinical setting
3. Communicate treatment and follow-up recommendations for improved patient outcomes
4. Present Infant Mortality statistics – national, Ohio, Cuyahoga county
5. Discuss First Year Cleveland initiatives
6. Provide aggregated FYC data review
7. Invite colleagues to get involved in Infant Mortality reduction strategies at their institutions
8. Define the complex crime of human trafficking
9. Describe common characteristics of trafficked persons
10. Discuss actions to take as a healthcare provider in response to suspected victims of human trafficking
11. Be an OBGYN advocate
12. Be familiar with ACOG Ohio Legislative Update
13. Describe the Ohio PAMR process
14. Discuss the Ohio Pregnancy-Associated Deaths from 2018-2016
15. Review recent national and statewide legislation and grants for maternal mortality reviews

**Practice Gap(s) for this session:** The Practice Gap is the reason a conference or CME activity needs to be held. It describes the difference between where a group of learners/field of study/ practice currently is (**current status**) and where the learning/practice should be (**desired status**). The "gap" between the current and the desired will be used to identify conference needs, purposes, objectives, and desired outcomes.

1. *According to ACOG, over half of women surveyed (54%) consider their ob-gyns to be their primary physician – the first doctor they see for all their health care needs*
2. *Without continued professional education, integration of practice guidelines is not optimal by OB/GYNs. This series will reinforce appropriate practice guidelines during selected quarterly sessions throughout the year.*
3. *Despite the development of evidence-based recommendations, it can be difficult to identify and incorporate new evidence into practice. Providers identify and apply new evidence-based practice approaches.*

### **ACCREDITATION**

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Case Western Reserve University School of Medicine and the Cleveland Society of Obstetricians and Gynecologists. Case Western Reserve University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Case Western Reserve University School of Medicine designates this live activity for a maximum of 3.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**DISCLOSURE STATEMENT:**

The policy of Case Western Reserve University School of Medicine CME Program (CWRU) requires that the Activity Director, planning committee members and all activity faculty (that is, anyone in a position to control the content of the education activity) disclose to the activity participants all relevant financial relationships with commercial interests. Disclosure will be made to activity participants prior to the commencement of the activity. Case Western Reserve University School of Medicine CME Program also requires that faculty make clinical recommendations based on the best available scientific evidence and that faculty identify any discussion of “off-label” or investigational use of pharmaceutical products or medical devices.

**DISCLOSURE OF THE FACULTY PRESENTING:**

*Drs. Burkett, Gibson, Starck, Sister Anne, Ms. Holderbaum and Ms. Hudak reported no financial relationship relevant to this activity.*

*Dr. Mercer has disclosed that he plans on discussing unlabeled/investigational uses of a commercial product.*

**DISCLOSURE OF THE PLANNING COMMITTEE MEMBERS:**

*Drs. Bagley and Eaton reported no financial relationship relevant to this activity.*
