

WELCOME BACK!

WE'VE CAREFULLY PREPARED TO WELCOME YOU BACK TO SILICON VALLEY'S PLACE TO PLAY!

BAY 101 CASINO is now officially open outdoors in a spacious open-air gaming canopy. We've pulled out all the stops to ensure our re-opening plan is as safe as possible for our players, guests and staff. Below is a list of changes we have made and the extra safety measures we have implemented to help protect the health of our guests, employees and the community at large.

FOR GUEST HEALTH

- All guests are required to wear facemasks while inside the canopy. We will supply facemasks for those who don't have one.
- All guests will be screened for fever using a no touch walk thru body temperature screening unit or an eye pod. Those with a temperature of 100.4 Fahrenheit, and those who choose not to be checked, will not be allowed to enter.
- We have set up markers to give you visual cues on where to stand to be 6 feet apart.
- Security will be present throughout the canopy to ensure that guests are complying with distancing requirements.
- Cal games will be played three to six handed with partitions between each player.
- Poker games will be played 8 handed with partitions between each player.
- Tables and chairs will be spaced to maximize distance between players sitting at different gaming tables.

FOR OUR BAY 101 STAFF

- Bay 101 staff members are required to wear facemasks.
- Staff members are asked to self-assess every day and are not permitted on property if they answer any of the questions below in the affirmative.
- Any Bay 101 staff member with a temperature greater than of 100.4 Fahrenheit will be asked to return home to recuperate. Staff members displaying obvious signs of illness, even without a temperature, will be sent home.
- Staff members preparing or serving food and drinks are required to wear gloves and facemasks

CONTINUOUS DISINFECTING AND CLEANING

- Hand sanitizer will be provided throughout the pavilion, and each gaming table will have hand sanitizer for the players use.
- Disinfecting wipes will be available throughout team member areas to permit continuous cleaning.
- The Bay 101 Housekeeping team will be provided with a cleaning schedule that will include continuous cleaning of the outdoor gaming pavilion and all high-touch areas like, hand rails, chairs, tables, countertops, etc.
- Gaming devices, cards, chips, and other items will be cleaned or discarded regularly throughout the day.
- We care about your health so if you are part of any of the high-risk criteria identified by the CDC we encourage you to consult with a physician before choosing to return. We hope you will join us when you are ready.

COVID-19 WARNING SIGNS

- Do you feel any symptoms of COVID-19 (COUGH, SHORTNESS OF BREATH OR TROUBLE BREATHING, HEADACHE, FEVER, CHILLS, MUSCLE OR BODY ACHES, FATIGUE, SORE THROAT, CONGESTION OR RUNNY NOSE, NEW LOSS OF TASTE OR SMELL, NAUSEA OR VOMITING, DIARRHEA) ?
- Have you traveled internationally for leisure (including Mexico or Canada) within the last 14 days?
- Have you had close personal contact with anyone who has been diagnosed with COVID-19?
- Have you traveled to an area that the local, state, or federal jurisdiction has designated a COVID-19 "hot spot" in the past 14 days?

WE'RE IN THIS TOGETHER – HELP US KEEP OUR COMMUNITY SAFE!

- Facemasks are required at all times for both guests and Bay 101 staff members for everyone's safety.
- Maintain social distancing as much as possible. We'll help with a reconfigured floorplan and appropriate signage.
- We'll check everyone's temperature, with a no-touch method, before entry.
Only those who are under 100.4 may enter.
