- **DRESS CODE - See reverse**

PRESIDENT'S CORNER:

Greetings! This is my last President's Corner, and as such it will be brief.

Madison CRC was awesome. I am continually impressed by our chapter, and hanging out with everyone at CRCs just confirms that feeling. We're cool, we're professional, we get shit done. I love it. Don't trust an engineer to judge "cool?" Well my friend, just take a gander at the picture below. I think it speaks for itself!

Andrew Pospisal is incoming president. He's assembled an all-star board per the norm, and next year promises to be even better than this. Be sure to come out to meetings to support your chapter, and pressure, I mean encourage, your friends to join ASHRAE if they're not already members.

Don't forget golf in May!

News

IECC Code Update

Adoption of the International Energy Conservation Code (IECC) 2015 continues to be discussed at the State level. Another meeting is scheduled for late April, stay tuned for additional updates!

History Project

The 2015-16 history project on the Iowa State University Power Plant by chapter historian Justin Barrett is posted on the chapter website. Check it out [here](#)!

Annual Meeting

The ASHRAE annual meeting is June 25-29 in St. Louis, MO. Any chapter members that are planning to attend, please let Matt Gumm know ([email link](#)).

National Newsletter

Stay up on trending topics and industry news through the ASHRAE Newsletter. Sign up and view articles [here](#).

ASHRAE'S Attics & Antiques:

We have gone digital! Attics & Antiques can be found on the ASHRAE Iowa Website. Click on the link below to Check It Out!

Training Opportunities

ASHRAE Certifications

Looking for great learning opportunities?!?! ASHRAE Certifications are the perfect opportunity to grow your industry knowledge. Learn more [here](#).

If you have received an ASHRAE Certification in the past year, let Matt Gumm know!

Technology Awards Update

We received one submitted project for the TEGA award from KJWW, the Stew and LeNore Hansen Football Performance Center. The project was reviewed and rated highly by the three judges - Jason Kems, Justin Barrett, and Xiaohui (Joe) Zhou.

My thank you to the judges for their assistance in the review process. I encourage all consulting engineering companies to submit entries for next year's TEGA Award review as it provides each firm with a great opportunity to showcase their many talents and get recognized for outstanding achievement, and as a Chapter winner, have an opportunity to compete at the Regional and the Society levels.
