

Public Forum

All aboard?
Diesel, electric and clean air:
which way forward?

This forum is an opportunity for public discussion of the proposed Metrolinx expansion of the Georgetown South transit line and the rail link from Union Station to Pearson.

The Board of Health supports expanded public transit as a way to reduce vehicle traffic, but remains concerned about health risks and air quality impacts predicted with the proposed diesel rail expansion.

Date: Monday, March 22, 2010
Time: 6:30 p.m. – 9:00 p.m.
Place: Council Chambers, Toronto City Hall, 100 Queen Street W.

Presentation

Moderator: Eva Ligeti, Executive Director, Clean Air Partnership
Panelists: Gary McNeil, Executive VP, Metrolinx
Minister of the Environment, Ontario (invited)
Prof. Christopher Kennedy, Transportation Infrastructure Expert
Dr. David McKeown, Toronto Medical Officer of Health

Questions from the audience will follow the panel discussion.

This forum is hosted by City Councillors John Filion, Chair of the Toronto Board of Health, and Paula Fletcher, Chair, Parks & Environment Committee. Everyone is welcome to attend. No registration is necessary.
