

# Putting a Roof over Inadequate Housing: HOME SAFE Documentary Screening and Panel Discussion

Inadequate housing is a pressing problem in cities like Toronto. It often leads to poor health and goes hand-in-hand with lack of access to healthy foods.

Join us to view clips of the SkyWorks production *Home Safe Toronto* and take part in a discussion with researchers and film participants.

## Speakers

**Dr. Stephen Hwang**  
Research Scientist,  
St. Michael's Hospital

**Dr. Valerie Tarasuk**
