

The Georgetown South (GTS) Project will provide infrastructure improvements to meet existing GO Transit ridership demand and future growth. It will also accommodate the new Union Pearson Express service between Union Station and Pearson International Airport. This project is one of the key elements of The Big Move.

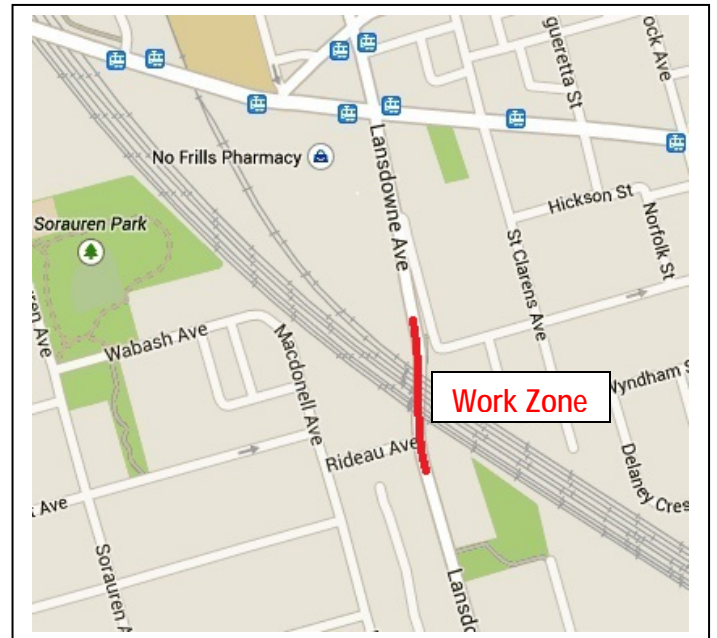

## Lansdowne Ave. Underpass Closure and Continuous Overnight Work January 24 - 26

### What we are doing

- We are installing two new replacement girders to the Lansdowne Avenue bridge. We will come back to complete the third at a later date as it is currently in service.

### How this will affect you

- Beginning on Saturday, January 24, at 7 a.m. until Monday, January 26 at 5 a.m. Lansdowne Ave. will be closed to vehicle traffic between Rideau Ave. and Shirley St. to allow for equipment delivery and the installation of the new bridge girders.
- There will be no access to/from Lansdowne Ave. along Rideau Ave. during the work.
- Sidewalks will remain open. However, pedestrians may experience short delays when the bridge girders are lifted into place.
- Paid Duty Officers will be in place on Lansdowne Ave. near Dundas St. W, Rideau Ave., and Seaforth Ave. to help direct traffic for the duration of the closure.
- Detour signs will be posted in advance of the work.
- Access to the No Frills store on Lansdowne Ave. will remain open at all times.
- The TTC bus route 47 will detour around the work area. Please visit [ttc.ca](http://ttc.ca) for more information on the detour route.

Please call Kelly for more information at 416-604-9582, visit [www.gotransit.com/gts](http://www.gotransit.com/gts) and follow us on Twitter @GTS\_Project for project updates.

*Thank you for your patience during the work to replace bridge spans for the Lansdowne Ave. Bridge*
