Upcoming Infrastructure Improvements at the Intersection of King Street West, Queen Street West, The Queensway and Roncesvalles Avenue (KQQR)

Contract: 20ECS-TI-19SP

Start Date: September 8, 2020 Expected End Date: August 2022

**Timeline is subject to change.*

This notice provides an update on the coordinated efforts by the City of Toronto and Toronto Transit Commission (TTC) on various infrastructure upgrades at:

- The intersection of King Street West, Queen Street West, The Queensway and Roncesvalles Avenue (KQQR);
- The Queensway from Parkside Drive to east of Roncesvalles Avenue;
- Roncesvalles Avenue from Queen Street West to Dundas Street West; and
- Rehabilitation of the Parkside Drive bridge at The Queensway.

The infrastructure improvements started in September 2020 with underside bridge rehabilitation of the Parkside Drive bridge. Work on this project is currently progressing.

Beginning February 12, 2021, work crews will begin advanced preparation work on The Queensway and KQQR intersection, ahead of the closure of the KQQR intersection scheduled for March 31, 2021. Please refer to page 4 of this notice for additional details regarding these works and traffic impacts.

A notice will be issued ahead of the KQQR intersection closure.

We know these infrastructure upgrades will continue to have an impact on businesses and residents in the area. We sympathize and appreciate your patience with the dust, noise, parking, fencing and other inconveniences that will arise.

IMPORTANT INFORMATION ABOUT COVID-19 AND CONSTRUCTION WORK IN TORONTO

During construction, the contractor is responsible for the Health & Safety on site under the Ontario Occupational Health and Safety Act and is expected to implement COVID-19 mitigation practices. For more information on the City's response to COVID-19 please visit toronto.ca/covid-19.

WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. We appreciate your patience.
- The City will not be responsible for damage to any privately owned items on City property.

	<p>Physical Distancing: There are times when contractors need to communicate with homeowners about what is happening on-site. This could be about driveway access, water shut offs, exterior pre-construction inspections, and site restoration work (landscaping, installing pavers etc.). Contractor's staff will be identifiable by their high-visibility clothing. Where possible, a phone number for a contact person on-site will be provided on notices, to answer questions about work near your property. At other times, the contractor may knock on your door, but will then step away the required distance to discuss the work that is taking place and what can be expected that day. Please practice physical distancing with workers so everyone can remain safe. If you have questions, call the contact provided on this notice.</p>
	<p>501 / 301 Queen and 504 King streetcars have been replaced with bus services, presently operating through the KQQR intersection area. <i>Visit ttc.ca for further details.</i></p> <p>During the overhead infrastructure removals by TTC night crews, 501 / 301 Queen and 504 King replacement bus service will be maintained through the moving work zone with lane restrictions.</p> <p><i><u>Note:</u> Beginning late March, some changes will be made to the replacement bus services. Additional details will be provided at a later date.</i></p>
	<p>Parking Violation Notice: In an effort to reduce ticketing due to construction, the City encourages communities with construction to be patient as neighbours may need to temporarily relocate vehicles. If enforcement is called, enforcement must issue a yellow parking violation notice (ticket). If you receive a yellow notice during this construction work, do the following within 15 days of the notice date:</p> <ul style="list-style-type: none"> • Dispute the parking violation notice online or in person following the process listed on the reverse side of the parking violation notice. <p><i>You may use this construction notice as part of the explanation of why the violation should be cancelled. Please note:</i> violation notices cannot be cancelled if vehicles are parked in illegal parking spots (i.e. in front of a fire hydrant or in no parking zones).</p>
	<p>Accessible Accommodation: Residents who require accommodation (level entry, longer notice, etc.) must contact the contact listed on page 4 to arrange for access during the construction period.</p>
