

A P S COLLEGE OF ENGINEERING

Somanahalli, Kanakapura Road, Bangalore-5600082.

Training & Placement Department

Report of Activities 2019

The ultimate proof of quality education dwells in placing the students. The department is headed by **Dr. Jagadeesh H S**, who has good exposure to industries and research. The students are being trained for personality development, Soft skills and aptitude tests. The college has recognized as Silver Partner for **M/s NTT Data** to carry forward placement initiatives since 2007-08. Minimum of Twenty five Reputed companies are visiting our campus every year. An average of 75 % students is placed in our campus only. A maximum placement of **95 %** is achieved for eligible students. Still the road is ahead to reach out **100 % placement** in the current year. Memorandum Of Understanding (MOU) has been made with **twenty (20) companies** to collaboratively work for Training & Placement Activities in the Campus. M/S ICT Academy, iPrimed, Million Minds, ATS Learning Solutions, Xcelarotor, EXL – Edubridge, Internshala, and many others. We are conducting many programs such as Internship, training under Corporate Social Responsibility (CSR) through reputed Companies.

Currently fifty four (**54**) of circuit branch (ECE, CSE & ISE) students of 8th Semester are selected for DATA ANALYTICS in house training program sponsored by EXL - EDUBRIDGE Company. The department has successfully conducted in house internship program for **152** of circuit branch (ECE, CSE & ISE) students of 8th Semester sponsored by iPrimed and Ariscent Company. The same internship program is certified by NASSCOM.

The department has conducted around twenty seminars and workshops for lower semester students. The soft skills training is conducted to all lower semester students on 25th, 26th & 27th April 2019 by Smart Training. It is useful for cracking interviews during placement drives. It is insisted for pre-final year students to take AICTE recommended online assessments regularly. On 4th May 2019, most pre-final year students are assed freely through the online platform www.firstnaukri.com. The department has conducted Microsoft Technology Associate (MTA) test for lower semester students. The department has conducted successfully workshops on IOT and CPMA on 11th, 12th, 13th & 15th April 2019. The students of circuit branches won **three prizes** in **Texas Instruments** online Technical Contest conducted on 26.2.19. The students have received MSP 430 microcontroller kit with certificate for the same.

The department has provided opportunities in reputed companies such as HP Enterprise, Infosys, Tata Consultancy Services (TCS), Wipro, Cognizant, Quinnox, Mind Tree, Tech – Mahindra, Mphasis, HCL, Atos – Syntel, NTT DATA, Sonata Software, Quest Informatics, Vee Technologies, Triveni Turbines, SIX-DEE Telecom, Nippon Audiotronix Pvt Ltd. and many more. A maximum of **10 Lakhs Per Annum (LPA)** and minimum of **2 LPA** is the offered salary to our students.

The department has provided **250** opportunities for the 2019 batch students of 8th semester of all branches, out of which **235** students are from APSCE only. It is a record number in the history of APSCE.
