

HARRIS-LAKE PARK ATHLETIC BOOSTER CLUB CAMP SCHOLARSHIP APPLICATION

The Harris-Lake Park Athletic Booster Club offers scholarship funds to all student-athletes to support their efforts to improve in the off-season (camps, clinics, leagues, etc.). These funds are available to student-athletes starting with the 8th grade baseball and softball programs and ends with the start of the season in the senior year.

The Booster Club will provide up to \$100 per athlete, per sport, per year (July 1 – June 30) for any combination of camps, clinics, or leagues, submitted by either Student-Athlete/Parent or Coaches.

NOTE:

It is the H-LP Athletic Booster Club Policy that any student-athlete who is approved for an individual or team camp/league scholarship and **does not attend** the event for which they receive the scholarship will receive a request in writing to **reimburse** the H-LP Athletic Booster Club for the full amount of the scholarship. If they fail to reimburse the Booster Club, they will be deemed ineligible for further scholarships through the H-LP Athletic Booster Club.*

**Future requests of a scholarship may be considered on an individual basis. The parent and athlete will need to make that request in person in front of the Booster Club.*

Student-Athlete/Parent Submission:

Individual Camp Scholarship Request

1. Student-Athlete and Parent complete Individual Camp Scholarship Form
2. Submit the form along with your completed Camp Registration Form to the H-LP Athletic Booster Club President or Treasurer at least two weeks prior to the event registration deadline
3. The check will be mailed to the appropriate address by the Booster Club Treasurer

Coach Submission:

Coach Request for Team Camp/Clinic/League Scholarships

1. Coach submit the completed form to the Booster Club President or Treasurer at least two weeks prior to the registration deadline
2. The Treasurer will issue a check to the Coach for mailing to or delivering to the contact person

Note: In general, a team camp/clinic/league is eligible for up to \$1,000 (based on up to 10 participants attending). If one of the 10 participants has already used some or all of his/her \$100 in that sport, it will be deducted from the team total.

**If there are more than 10 participants to attend, Coaches may make a request for additional funding in person at a Booster Club monthly meeting.*

In the event a student-athlete decides not to attend a team camp/league for which they are registered, coaches may use their digression to fill that slot with another student-athlete, if **able and applicable. If that slot is not filled, the student-athlete will no longer be eligible for H-LP Booster Club Scholarships.*

HARRIS-LAKE PARK ATHLETIC BOOSTER CLUB CAMP SCHOLARSHIP APPLICATION

Individual Camp Scholarship Request

Individual Application Process:

1. Student-Athlete and Parent complete Individual Camp Scholarship Form
2. Submit the form along with your completed Camp Registration Form to the H-LP Athletic Booster Club President or Treasurer at least two weeks prior to the event registration deadline
