FEATURED THIS WEEK: MUSIC PARENTS, FOOTBALL PLAYOFFS, QUESTION OF THE WEEK, AND TRIVIA

H-LP Music Parents

By Roman Nelson

The H-LP Music Parents are a group of parents who support the music programs at the school. They have different fundraisers throughout the year to help pay for music projects and supplies at school.

The Music Parents help the school raise funds for items and other things that will help the music programs. Things they fund include, the travel expenses for some of the musical related trips, the microphones in the auditorium, the sound shells, the risers, and costume and set items for school events.

The Music Parents do two fundraisers each year. They have a Butter Braids fundraiser in the fall, and a Pastry Puffins fundraiser in the spring. Each year, they decide on a project in which the funds from these events will be used. This year, they plan to improve the lights and sound in the auditorium. If you are interested in supporting and/or joining the Music Parents, all you need to do is contact Ashley Hibma or Jamie Engel.

Thank you to the Music Parents for supporting the music programs at H-LP. Be looking out for the spring Pastry Puffin fundraiser. Not only are they delicious but as a community member, you are supporting the musical talents at H-LP!
