Good Mourning
Ministry

"I am so proud of myself for coming here! You gave me hope. Thank you and God bless."

There are no stages to grief. We all experience loss in our own unique way. Healing is an intentional process, where we gather as a community of faith to become disciples of hope. It is through prayerful reflection, practical learning and personal fellowship that we mourn. "Grieving with Great HOPE" is a WEEKEND grief support workshop for anyone who is grieving the death of someone they love. Presenters will include Fr. Timothy Birney, as well as John and Sandy O'Shaughnessy from Good Mourning Ministry, a Catholic bereavement apostolate. Please complete registration on back.

“Grieving with Great Hope gives people who are mourning the loss of a loved one a path through the valley of grief. It connects people with people, here on earth and on their way home. And in the end, we are all led to the Great Healer, Jesus Christ in the presence of the Blessed Sacrament.”

Fr. John Riccardo
