- 1. Background:** This Sunday we begin a new Church season. We go from the Easter Season to the Season of Pentecost. What is Pentecost? This is a very special time in the Bible when the disciples and other Christians received the Holy Spirit.

Pentecost occurred 50 days after Easter Sunday or 50 days after Jesus rose from the dead. Just before Jesus was taken up to heaven he told the disciples that they would receive power when the Holy Spirit comes on them and they'd be his witnesses in the whole world (Acts 1:8).

- 2. Pentecost Lesson:** The disciples and other Christians had come together to thank God and suddenly a sound like the blowing of a strong wind came from heaven and filled the whole house where they were sitting.

Next they saw tongues of fire that came to rest above the head of each of them. I'm not sure if they could see the tongues of fire or if it's how the people could explain what they felt happening. When the tongues of fire came they were filled with the Holy Spirit and began speaking in different languages.

- 3. Holy Spirit:** The special thing about having the Holy Spirit is that God never leaves us so we can talk to God or ask for help anytime.

The Holy Spirit actually helps us in many ways, God comforts, teaches, and helps us grow in our relationship with God and gives us strength to get rid of the bad habits in our lives.
