

Dear 5th Grade Girls & Families,

Hope you are all well. We are thinking of you & praying for you. Did you see the SpaceX rocket launch today? Such an amazing feat for America after 9 years, our country has sent astronauts to the heavens again.

This week if we were in Sunday school, we would have continued talking about Paul, the founder of Christian churches all over the ancient world. Paul was a great writer. His letters to the early churches comprise much of the New Testament. He wrote the Corinthians, the Colossians, the Thessalonians, and more. He guided the early churches giving them advice on how to behave as Christians. Paul's letters were written using the Greek alphabet and on papyrus. They didn't have the U.S. Postal Service so Paul would have had to hire a courier or find a traveler going to the letter's destination.

Here are some readings for this week:

We hope you have a great week. Next Sunday will be our last Sunday School lesson. We look forward to the day when we are all back together again on Glebe Rd. Until then, we are thinking of you.

Sincerely, Ashley, Elizabeth, & Sue
