

Church family,

After having to close the church recently for two weeks due to a covid-19 response, we have decided to reopen the church and to no longer close the church to those who are healthy and desire to attend. The Old Testament set the pattern with the fourth commandment being to “remember the sabbath day to keep it holy,” with the early church’s teaching in Hebrews 10:25 which tells us to “not forsake the assembling of ourselves together.”

We at Christ Chapel desire to balance the teachings to honor and respect those in governmental authority over us with the teachings of Christ to “obey God rather than man” when it is determined that our government has overstepped its authority.

We want to balance proper health concerns with meeting for worship and Bible study, so that is why we recommend those with health concerns to stay home and watch our Sunday morning service through our Livestream that is being broadcast at our website: christchapelbandera.org. Our Wednesday Bible study will not be broadcast due to its setting of being so interactive that we could not properly record the response of those in conversation. And due to its smaller attendance, we can truly keep our social distance along with our requirement of masking up when entering and leaving.

All that being said, we are hoping you will attend knowing that we will always put our Lord first, preach the whole message of His life and work, and worship Him in spirit and truth.

I look forward to seeing you worship with us.

In His service,
Pastor David
