

Church family,

I'm writing this letter to address our latest updated policy on attendance.

Now that our Governor has removed the mask mandate, we can return to an almost normal service, meaning, two-thirds of our sanctuary will have no restrictions, and the remaining one-third will still be sectioned off for social distancing and voluntary mask wearing. If you prefer to arrive wearing a mask and keep it on for the duration of your visit, no one will look oddly at you because we know covid-19 is still a virus that for those with comorbidities, is a real concern. We all want everyone at Christ Chapel to worship together in the unity of our Lord Jesus Christ, and in Spirit and Truth, no matter our appearance.

We are continuing to upgrade and enhance our Livestreaming, which has given us a learning curve that we did not expect, so if you cannot attend, please watch our service on Facebook or our website; christchapelbandera.org. When watching, it would be helpful if you would make at least one comment so that we know who is watching. We have someone who will reply to your comment, even if it is just to say "Good morning."

In the near future, we will have a completely revamped website that will better serve our church and for those seeking our church information.

I appreciate all those who are actively serving our church in their various positions of service in order to bless our Lord and His Presence at Christ Chapel. If you feel the Lord calling you to serve in some capacity, please call me and let me know how we can meet that calling. We do have positions in the church that still need filled. It is in days like these that we need to grow stronger and closer to each other in order to serve the Lord better. The Lord loves seeing His people show their faith by their works of service.

If you have any spiritual or financial needs, or work that needs done around your house, please call me and I will try and have those needs met. We have some who have volunteered to help you as they can.

"Peace be to the brethren, and love with faith, from God the Father and the Lord Jesus Christ. Grace be with all those who love our Lord Jesus Christ with incorruptible love."

Blessings in abundance,
Pastor David
