Subject: **RWC Price Adjustments – US Market**

Effective Date: **May 10, 2021**

Dear Valued Customer,

While RWC remains committed to offsetting commodity increases and other cost pressures, increases in raw material, freight and labor now require an increase in list prices on the following brands and product lines effective May 10, 2021:

- SharkBite Push-to-Connect 2.8%-4.5%
- SharkBite PEX Pipe 5.0%
- SharkBite Crimp Products 3.0%-5.0%
- HoldRite Products 2.6%-7.5%
- Cash Acme Valves 6.0%

To ensure the most current and accurate pricing information, use the links below to access the new brand specific price files.

[HoldRite List Price File](#)

The new pricing will be effective May 10, 2021.

All orders for immediate shipment received by Tuesday, May 9, will receive current, pre-increase pricing. Stock orders are not to exceed one month's average purchases, however, due to continued operational impacts of the COVID-19 global pandemic and raw material shortages, RWC reserves the right to communicate any adjusted availabilities as required. All other related pricing materials will be updated by May 9, 2021. Please share the most current SharkBite, HoldRite and Cash Acme price lists dated May 10, 2021 with the relevant parties within your organization.

RWC values our partnership and if you have any questions, please do not hesitate to contact our Customer Support team at 1-877-700-4242 or contact your local sales representative.

Thank you for your business and your continued support of our RWC portfolio of brands.
