UNIVERSITY PLACEMENT CELL

*“Dream is not that which you see while sleeping,
it is something that does not let you sleep.”*

A.P.J.Abdul Kalam

The object of modern education is not only imparting the knowledge but also to serve the purpose of building the students with required skill sets and strengthen their will to face the challenges and fulfil their career dreams.

The Vision and Mission of the Karnataka State Rural Development and Panchayat Raj University (KSRDPRU) is to act as a centre of excellence to impart education and training for the development of various stakeholders to take up emerging challenges for the transformation of rural society through inclusive growth and integrated development.

The University imparts Training and Education through its Two Centres of Learning and Five Schools of Studies, viz.,

- I. Centre of Research, Innovation and Evaluation
- II. Centre for Training, Publications and Supervision.

 - M.A. – Economics (Development Economics)
5. School of Skill and Entrepreneurship Development
 - M.Com. – Entrepreneurship/Co-operative Management
 - M.Sc.- Computer Science (Data Analytics)

The courses offered by the University are of interdisciplinary and integrated in nature keeping in view the current challenges in designing solutions for the complex and diverse issues of rural development.

The Placement Cell of the KSRDPR University has been set up with an objective of securing students future by providing and creating opportunity to find suitable jobs for inclusive growth of the social development through various mechanisms. Thus the objective of the cell is to create value for it in the minds of the students by acting as committed and dedicated entity in the process of rural development. The Placement Cell is active in assisting the outgoing students to place themselves in government organisations, NGO's and other rural based multinationals to serve and contribute to national development, with a focus on rural society. In order to strengthen the efficiency in them so that they become successful professionals in the dynamic competitive world, the University is imparting necessary knowledge and skills.

The students registered with the Placement Cell will be provided training for improvising their skills, counselling and placement assistance, for suitable job placements or self entrepreneurship.

Vision

Keeping in view, the vision of KSRDPRU, the Placement Cell is committed to improve the skill sets of students in the University through conduct of orientation and skill training, and resolving various issues in choosing the right career.

Mission/Goal

The ultimate goal of the Karnataka State Rural development and Panchayat Raj University is to prepare entrepreneurial, employable and employment generating graduates to reduce poverty with focus on sustainable development in rural India. In this regard, the KSRDPRU is undertaking several activities for imparting/ improvising the desired skills sets for suitable job profiles. Ultimate goal of the cell is to facilitate students of the University, not only in terms of Job placements in corporate and other industries/service sectors, but also to make them entrepreneurs. It is to uphold the vision of the University so that the Karnataka State Rural development and Panchayat Raj University emerges as one of the best Universities in India.
