

City of Bogart
Regular Session November 7, 2016

Minutes

Attending Officials: Terri Glenn, Janet Jones, Michael Ward, John Larkin, and David Nunn

This session was called to order at 7:00 PM. David Nunn offered invocation.

Minutes: John made a motion to approve the minutes from the October 3, 2016 session. Janet seconded the motion. Votes: Unanimous

Committee Reports: Michael is compiling a list of roads within the city limits that are in need of repaving. Once compiled he will submit it for the LMIG funding project for 2017. Janet will be obtaining a bid for placing a flag pole at the AG building. John gave an update on the sewer project. The master streetscape project will kick off after the sewer project is complete. Terri has been making revisions to the city charter. A copy of the revisions will be sent to the city attorney this week for his review. She also informed the council of the status report of the Phase II MS4 2017 annual report. A list of 29 items was sent by Ken Beall that is needed to ensure the report will be submitted on time. The maintenance department will attend a training session on December 6 as well.

Agenda Items:

- 1) Request for road acceptance at Gateway from the OCIDA – Tabled until the second tract on the property is developed.
- 2) Historical Preservation of downtown – Tabled

Meeting adjourned at 7:25 PM
