

## MUSIC CONTRACT

**The Barns of Lost Creek works hard to be respectful of our neighbors. Music must be kept at a reasonable level. Please carefully read our guidelines:**

- 1) You may park near the ramp to the barn to unload equipment, then move to the parking lot.
- 2) No smoking is allowed inside any of the buildings, on the deck, or on the ramp. Cigarette butts must be placed in one of the sand buckets.
- 3) When using electricity, you agree not to exceed 15 amps on any outlet.
- 4) Amplified music outdoors is allowed during ceremony and social hour only. Keep social hour music minimally amplified.
- 5) The dining hall has its own sound system and wireless microphone. You can plug in your computer, phone, thumb drive, etc. to play music for dinner.
- 6) Be mindful that most complaints come due to the loudness of DJs speaking (microphone set too loud), or booming bass lines. We will work with you as the dance begins to find an acceptable level of volume. Remember, this is an occasion where guests will be visiting with one another, not a rock concert! You will lower the volume when asked to do so.
- 7) All music service provided the day of the wedding must end no later than 11pm, or at the contracted end time, if earlier. Plan your music accordingly to allow the end of event with a "last dance" coordinating with the 11:00 pm end time-NOT ONE MINUTE LATER!! We will not jeopardize our conditional use permit to allow a later end time.

By signing this agreement, you agree to be bound by the terms and conditions identified above and acknowledge that The Barns of Lost Creek employees, staff and owners have the legal right to shut down your music service should any violations of the above occur before, during or after your event.
