RECITALS 2021 *

We are SO EXCITED to start talking about our June Shows! Hoping that things will look a little more normal, please mark your calendars!

SHOW WEEK JUNE 7 - 12

DROP IN CLASSES *

Hey Alums and our friends who need to stay virtual or stay in shape between seasons—this is for you! Get in touch if you'd like to take drop in classes. These can be onsite (space available) and virtual. Once a class has been selected, you can let us know the day before of your plans by 9pm for

the next day's participation. Classes are \$12.00 each or you can get a punch card - info@summerdancedance.com or 717-614-1942.

SHARE THE LOVE & BRING A FRIEND — Feb 8 - 13 *

In celebration of Valentine's Day dancers are invited to bring a friend to dance! A friend can join us onsite (if space is available, which we'll check for you upon registration) or virtually. If availability exists, it will be on a first-come, first-served basis. Both the dancer and her or his guest will receive a free Share The Love T-shirt! We will be running a special promotion that

week—if your guest enrolls, we will waive their registration fee (a savings of \$30) and you will receive 50% off of your March tuition (limited to one class). Please register by **Jan 21!**

LOVE YOUR BODY WEEK — Feb 15 - 20 *

This new program, in conjunction with our National Honor Society for the Dande Arts (NHSDA) Chapter, is a national campaign to encourage body positivity and celebrate all of the wonderful things our body can do. Registration is not needed. We will be engaging as a studio. Families, our personal body image matters so much.

EUROPE 2023—Paris and The Alps!! *

The Studio is taking its first European trip during the Summer of 2023!! All are welcome to join us! This will be a private trip and include at least one dance class. However, families are welcome to join us without attending the class. This trip is a little different as it will not include a performance. As we're intending for this to be a private trip, we have some flexibility about our itinerary and our travel dates. We will have a presentation via Zoom on **Tuesday, January 19th at 8pm** to review a tentative itinerary and gather feedback. Register for more information [HERE](#).

ACCOUNTING *

Families from whom we do not have a signed Invitation to Participate or whose accounts are overdue have been contacted individually. Costumes were

not ordered without these two items completed. Please get in touch with us ASAP to avoid delay.

THE COMPANY REVAMP *

This year we're excited to be revamping The Studio's Performing Company. The Company provides dancers with additional training and performing opportunities. More information to follow.

STUDIO STUDENT LEADERS *

Studio Student Leaders serve as either Student Assistants in class or are members of our NHSDA chapter. We are really excited for the opportunities available to this group. Thus far this year we've had a team-building session in the Five Senses Garden and collected trash at the Plaza. Dancers are eligible to apply for NHSDA as a junior member starting their sixth grade year.

THE NUTCRACKER *

Finally! We feel confident we will be able to offer a Nutcracker Ballet during the Holidays 2021. Auditions will likely occur during April (in one form or another) and rehearsals will begin in the summer. If your dancer might have an interest (and we need boys!), keep an eye on the spring newsletters.

Recitals

We are very hopeful for close to normal June shows!!

Class assignments will be distributed later this month. Costume photos will be posted shortly as well, as we start to get excited!
