

Hello \_\_\_\_\_! (Can say, how are you?! OR I hope you're great)

I HAD to share with you that we have New charcoal mask that just came out and I have been challenged to get 30 people to test out the new Forbes favorite charcoal mask, and it is to die for!! Any chance I could borrow your face, I promise I'll give it back lol! I'll even give you a gift for helping me with my 30 faces.
