Clearproof Deep-Cleansing Charcoal

1 Sometimes the skin's natural exfoliating process doesn't work as effectively as it should, so oil, bacteria and impurities get trapped inside pores. The **Clear Proof® Deep-Cleansing Charcoal Mask** helps remove the dirt and impurities that can contribute to problem skin and offers a gentle solution for supporting a clearer-looking complexion.

2 Use the mask **2 or 3 times per week after your cleansing step.** Go ahead and smooth an even layer over your skin. You can choose to do half your face, your T-zone or your entire face.

3 We'll leave this on our skin for **10 to 20 minutes.**

While mask is drying:

- Demo day or night solution on their neck depending on what you're demoing on their neck. Product info on pg. 23

4 **Rinse thoroughly** with warm water, and pat dry.

Science Behind the Product

1. **Activated charcoal** is known to absorb up to double its weight in impurities. The power of activated charcoal helps unclog pores, taking skin beyond everyday clean. As a result, your complexion looks clearer and healthier, and pores appear minimized.
2. Formulated with the absorbent power of **kaolin and bentonite clays**, this mask instantly absorbs excess oil and reduces shine.
3. Clear Proof® Deep-Cleansing Charcoal Mask contains **honey-suckle and navy bean extracts shown to target the appearance of skin discoloration.** Together, they're a powerful ingredient combination designed to help you leave a troubled past behind and create a clearer-looking future.
