

Bursaries & Scholarships

#1 RECOMMENDATION TO CHECK OUT:

Futures Forward is a partnership that **assists current and former youth-in-care** find resources to finance their post-secondary education. Each year they put out a scholarship guide. While the guide does have a section devoted to scholarships for current and former youth-in care, it has many **other sections that are useful to all post-sec Indigenous students**. The sections include:

- Manitoba Tuition Waiver Program
- Sponsorship Options
- Provincial Supports
- Scholarship Opportunities for current & former youth-in-care
- Scholarship Opportunities for Indigenous students
- Manitoba Post-Secondary Institution Awards
- Useful Websites and Databases

The **Scholarship Guide** can be found at: <https://www.futuresforward.ca/scholarship-guide>
