Report of the Nominating Committee

As in years past, the Synod's Nominating Committee held one meeting in person in November of this past year. There we had a fruitful discussion about the upcoming needs of the Synod - the various roles to be filled. Just the same, we were blessed to discuss the abundant gifts present in this Synod - more than enough to rise to meet the need.

Our process included lifting up names and acknowledging their gifts that may lend themselves to a particular role within the Synod's council, committees, and so on. From there, the list is narrowed by a few factors, such as the desire to keep each conference well represented, and to ensure that those who have not yet had the chance to serve will. Next, members of the committee reach out to those who were named and invite them to prayerfully consider serving in this new (or renewed!) way.

Thank you to everyone who was asked and did indeed prayerfully consider the opportunity! Whether it's a “yes” or a “no” and whether you might be elected or not, it's my sincere hope that your deliberations have helped you to discern what new thing God may be calling you to next. I'm glad we are discerning our calls together in this way.

Here at Synod Assembly, you will hear the names and read all about those. As I have written in the past, it's awesome to see just how many willing servants with such incredible gifts are right here in this Synod. May their willingness enrich your time at assembly, as they are a testament to how blessed we are together.

To those who may feel God calling them to something new, please do not hesitate to explore that with your friends here in the Synod. Current and previous committee members are a great resource. You can find their names, current vacancies, and descriptions of these committees on the Synod website. Reach out to one of those or the Synod office to get started. You may find that discerning your call in community will put you right where God will use you next!

Rev. Andrew Kayes
Committee Chair

30B - NO NOMINEE
**Election Key**

**DIRECTIONS:**

The Nominating Committee requested biographical data from each candidate.

Please note that opportunity will be given for voting members to make additional nominations from the floor. Ten voting members' signatures along with biographical data will need to be provided for each additional nomination.

Each election has a **number** and each candidate a **letter**. These correspond to a ballot which will be distributed on Friday morning. The ballot sheet will record your mark when you shade in the chosen letters with your number 2 assembly pencil. To vote for a candidate, find the correct number election, then select the letter which corresponds to the person for whom you wish to vote.

These marking instructions are also printed on the top of the ballot. Please be sure to use your number 2 pencil and do **not** fold the ballots.

**USE NO. 2 PENCIL ONLY**

The use of an Augustana College electronic scanner to process the ballots and a computer spreadsheet to print election results will facilitate our work together during the assembly.
