

Northeast Conference Report

The rostered ministers of the Northeast Conference, from campus ministry and congregations in DeKalb & McHenry counties, gather for fellowship, worship, and conversation on the third Tuesday of the month.

During the 2019-2020 year we shared in conversation and welcomed guest presenters to our meetings around the following topics: the 2019 Churchwide Assembly, World Vision, diakonia™, getting to know Grace Place Campus Ministry at NIU, and sharing Lenten and Holy Week resources. Our meeting in March was cancelled due to the Coronavirus, but we were able to have an excellent meeting in April via Zoom in which we worshiped together and supported each other as we navigate this time of sheltering in place. While we won't be holding a spring assembly this year, we will again meet in May to worship and offer support to one another.

We are glad to welcome leaders and celebrate new calls in our conference: Pastor Mack Patrick at Grace Place at NIU and Pastor Zach Baer at Living Waters in Crystal Lake.

Thanks be to God for the gift of colleagues and communities of faith as we are called forward together in Christ.

Respectfully Submitted,

Pastor Sarah Wilson
Dean, Northeast Conference
