

West Conference – 2020 Synod Assembly Report

The West Conference Rostered Leaders met regularly for worship, mutual support and ministry over the past year. We prayed together, shared ideas together, and sought to support each other in ministry. Our regular meeting time is the third Thursday of the month.

In terms of transitions, Pr. Gwen Sefhrans-Murphy, previously serving Peace Lutheran in Port Byron, began her new call at St. Paul Lutheran Church in Orion, IL. She began her call in November and was installed on Sunday, January 12. The West Conference would also like to acknowledge the retirement of Pr. Richard Priggie, chaplain of Augustana College.

Because of everything going on with the coronavirus, the West Conference decided to continue our meetings through the summer.

In humble service,
Reed Lee Pedersen, West Conference Dean
