Monday, April 19, 2021

Good afternoon Frank J. Macchiarola student athletes! Beginning next week, we are looking to officially begin our spring 2021 PSAL season. As previously communicated, we will be offering boys and girls volleyball, boys and girls basketball, boys and girls Track & Field, boys and girls bowling, girls flag football, and boys soccer. If you are interested in any of these sports, please come and see Mr. Beaudry in room 136 as soon as possible.

With the start of our spring 2021 season, there are a few health and safety items we would like to share with you prior to the actual start of the season:

- ALL student athletes will enter through our Main Lobby scanning area,
- ALL student athletes will have their temperatures scanned before entry,
- ALL student athletes will complete their health screening forms before entry,
- ALL student athletes must consent to random COVID-19 testing on the days this applies,
- ALL student athletes will report directly to the location of their practice,
- ALL student athletes MUST wear an approved-grade mask at all times as well as comply with all CDC, NY State, NYC, and DOE Health and Safety Protocols and Guidelines,
- Student athletes will only have access to PSAL-related sections of the campus.

We will do our very best to work with our partners to ensure a healthy, safe, and successful season. However, if the unfortunate circumstance arises where we experience a COVID-19 positive student athlete, we will follow all “Track and Trace” Guidelines and expectations, and we will work closely with those this may impact. It is our hope we will not encounter such a situation, but if in the event we do we will do our very best to address, resolve, and communicate essential information in a timely fashion.

**On Tuesday, April 20, 2021, Boys and Girls Varsity Track & Field will begin practicing on our outdoor track. Student athletes will begin entering the building at 3pm with practices running 3:30-5:30pm.**

We are all very excited and looking forward to seeing each of you compete and proudly represent our campus this spring. If you have any questions, comments, or concerns please feel free to reach out to me at your earliest convenience at [MBeaudry@schools.nyc.gov](mailto:MBeaudry@schools.nyc.gov)

Sincerely,

Michael A. Beaudry
