

March 5, 2021

Dear Patients,

After significant prayer and consideration, I have decided to accept a dermatology position in Greenville, South Carolina. This new position will enable me to practice dermatology within a larger healthcare system that will handle the growing administrative tasks required to run a medical practice. Ultimately, this means more time with my family.

It has been a privilege to care for my patients and to serve the people of Augusta which I consider my home. The relationships I have developed with my patients and staff have been the highlight of my practice. I will greatly miss these regular interactions which involved much more than just dermatology. Thank you for trusting me with your care and for being so gracious these past few years. It is that trust and these established relationships which have weighed so heavily during my decision process.

I want to make sure you have the care you need moving forward. Please see information at the end of this letter about obtaining your records as well as a list of excellent dermatologists in the area. Anyone with a history of skin cancer should at least be seen by a dermatologist annually.

Appointments will continue as scheduled until May 6th unless otherwise noted. Any appointments after this date are cancelled.

Again, thank you for allowing me to be your dermatologist and for understanding my decision. As I look forward to this new chapter for my family, I also look back with much gratitude for my patients and staff at Augusta West Dermatology.

Sincerely,

Jeremiah Miller, MD

3624 J. Dewey Gray Circle, Suite 250 Augusta, GA 30909
P: (706) 922-7706 F: (706) 922-7999 www.augustawestderm.com

Requesting Records:

If you would like a copy of your records, please go to the forms section of www.AugustaWestDerm.com and mail a copy to our office. Two scenarios for records:

1. If you want copies faxed to your new dermatologist, there is no charge.
2. If you want copies for your own records, the charge is \$20 plus up to \$0.75 per page.

If you are wondering which part of your record is important to request, pathology reports from a biopsy are usually the most helpful item for a visit to a new dermatologist.

When to pick up your records:

Once we receive your request, please allow five days before picking up. Records can be picked up on Friday afternoons from 1:30 to 3:30pm.

After May 6th, any records requests will be handled for a fee by:

Augusta Data Storage
2136 Mike Padgett Highway
Augusta, GA 30906 706-793-0186 augustadata@etgaugusta.com
