GCSE Results Day – 12 August 2021

For this year's result day, Year 11 students will receive results electronically. Results will be published via the SIMs App and Schoolcomms from 8:30am. Please note that a new SIMs Report will be released to the App, which includes information regarding the weightings of the different evidence sources used in judging subject grades, in addition to the results statement. **Please be aware that the publication of results will not be instant, and it could take a number of hours for these results to be visible on the SIMs App.** Students should only contact the Exams Office if they do not receive their results by midday. Please ensure you can access your SIMs Student/Parent account before we break for the summer holidays. If you have any issues logging in to your account please email: simsapp@georgeabbot.surrey.sch.uk

Result statements will be posted out by first class post.
