GOOD NEWS!

Dear Parents

We, in B-9 have been invited to participate in the **Nor'wester Therapy Dogs Canine Partners in Education Program**, a special program which uses registered therapy dogs to enhance the educational environment. Beginning on October 5th, we will have two special visitors in our room every Wednesday morning. They are Ms. Susan Jones, a retired elementary teacher, and her therapy dog Rover.

Both Ms. Jones and Rover are very excited about working with the students of B-9. They will visit and participate with us during our Language Arts time. Sometimes the students will be reading to Rover, and other times Rover will be part of other academic goals determined by our grade level curriculum.

Student participation with Rover will be based on their comfort level.

I'm very excited to be able to participate in this program. Before Rover begins his visits, we need permission from you for your child to participate. Please sign and return the permission slip below by **(NOTE: give quick deadline – i.e. 2-3 days from receipt of letter)**.

More information about the Nor'westerTherapy Dog program is available at www.norwestertherapydogs.org

Sincerely,
