MEMBERSHIP BENEFITS

APPRENTICESHIP TRAINING:

The Florida Gulf Coast Chapter operates one of the largest apprenticeship training programs in the state. ABC is committed to training the next wave of highly skilled individuals and meeting the needs of the construction industry.

PROFESSIONAL DEVELOPMENT:

ABC Florida Gulf Coast believes in providing first class professional development training to our members. Our offerings are timely and relevant to current industry needs. Curated and taught by ABC members or Leadership Professionals, our programs cover the technical and soft skills most needed in the industry today.

SAFETY TRAINING/SERVICES:

ABC Florida Gulf Coast Chapter strongly believes in creating a true company-wide safety culture. We help our members do this by providing industry applicable safety training. We utilize several programs to evaluate and

strengthen your existing safety culture via company/project safety audits, safety plan review, and employee training.

GOVERNMENT REGULATIONS:

ABC represents members locally, in Tallahassee and in Washington, D.C. These lobbying efforts help to protect your business interests and defend the free enterprise philosophy.

BUSINESS DEVELOPMENT:

ABC events are the best places to network with like-minded construction professionals. Your ABC membership will provide several opportunities throughout the year to build relationships and connect with industry leaders.

ABOUT ABC

Associated Builders and Contractors is a national construction industry trade association representing more than 21,000 members. Founded on the merit shop philosophy, ABC and its 69 chapters help members develop people, win work and deliver that work safely, ethically and profitably for the betterment of the communities in which ABC and its members work. ABC's membership represents all specialties within the U.S. construction industry and is comprised primarily of firms that perform work in the industrial and commercial sectors.

ABC is the merit shop construction industry's voice with the legislative, executive and judicial branches of the

federal government and with state and local governments, as well as with the news media. ABC's mission is the advancement of the merit shop construction philosophy, which encourages open competition and a free enterprise approach that awards contracts based solely on merit, regardless of labor affiliation. ABC's objective is to deal with issues on an industry-wide basis through its national office and chapters.

ABC's activities include government representation, legal advocacy, education, workforce development, communications, technology, recognition through national and chapter awards programs, employee benefits, information on best practices, and business development through an online contractor search directory.

MISSION STATEMENT

ABC will continually strive to be the leading voice promoting free enterprise within the construction industry. ABC will promote and defend the merit shop

philosophy. This philosophy encourages open competition and a free-enterprise approach to construction based solely on merit, regardless of labor affiliation.

BUILD. CONNECT. INFLUENCE.
