

## Bio for Dr. Toby Groves

Toby is a social cognitive scientist, speaker and writer. He researches innovative thinking approaches that spark insight with a focus on higher-order critical thinking, problem solving and communications. He presents his unique content using vivid mental imagery and radically interactive exercises. His fascinating history spurred a lifelong research journey in advanced critical thinking and communications in expert environments. A popular speaker amongst leading organizations in industry, government, and academia, Toby works with experts that provide society's most critical services including the audit, intelligence, investigative, legal and medical communities.

Toby has a PhD in psychology, an MA in industrial-organizational psychology, and has training in a unique combination of forensic psychology and forensic accounting.
