1. Take the piece of Cherry Cobber CS and score it at the 3" and 3 1/4".
2. Place the larger part of the Cherry CS into the Northern Flurry Embossing folder, run through the big shot.
3. Stamp your sentiment in Versa Mark Ink onto the largest part of treat holder. Sprinkle with White Embossing Powder and heat using the Heat Tool.
4. Attach the Trim the Tree Designer Series Paper to the bottom section of the Cherry Cobbler piece. Fold along score lines.
5. Score your Night of Navy belly band at the 3", 3 1/4", 6 3/4", and 7" mark. Fold on score lines.
6. Place cocoa packet into treat base (for stability) and wrap belly band around treat base.
7. Place a line of adhesive onto both belly band ends and adhere.
8. Punch a 1 3/4" circle from Night of Navy card stock and adhere to belly band covering the ends. (This will give you a bigger base to hold the focal point you create in the next step.)
9. Next, take a Whisper White piece of card stock and stamp your Nutcracker image in Memento tuxedo black Ink.
10. Color the Nutcracker using your Cherry Cobbler, Night of Navy, and Daffodil Delight Stampin' Blendabilities Markers and the face using your choice of Skin Tone Stampin' Blendabilities Markers.
11. Stamp your mustache image onto a scrap piece of Whisper White using Memento Tuxedo Black Ink.
12. Cut the mustache out using your Mustache Framelits Die. Add your mustache to Nutcracker image using Stampin' Dimensionals.
13. Add the Nutcracker image to the Cherry Cobbler layer, and then Night of Navy layer to create your focal point. Adhere onto circle.
