Vellum card stock: 3 7/8" x 5 1/8"  
Basic Gray card stock: 3 1/2" x 4 3/4" (this layer is popped up)  
Wood Textures DSP: 3 3/8" x 4 5/8"  
Vellum card stock: 2" x 1"  
Pieces of Cherry Cobbler and Whisper White card stock for circles

#### Tip of the Month:

Vellum paper is difficult to adhere since it is so thin and the adhesive shows through it. I add the adhesive to the center area of the vellum that I know will be covered by the next layer. I did the same with the banner pieces. They are adhered to the back of the Cherry Cobbler circle.
