Assembly:

1. Tape one end of your copper ribbon onto a dowel. Wrap the ribbon around the dowel as desired. Tape down the end and trim off the excess.
2. Using your Heavy Spray Starch. Spray the ribbon heavily. (If the tape comes undone, reapply tape.)
3. Dry the Spray Starch using your Heat Tool until dry.
4. Allow ribbon to finish drying completely before using on your project.
5. Trace the wooden pumpkin onto a scratch piece of Grid Paper. (Or you can print out the PDF if you're using the same pumpkin I did. See below.)
6. Divide the pumpkin into sections as desired. Cut out pieces.
7. Using the back side of the patterns and Designer Series Paper trace the pieces onto your Gilded Autumn Designer Series Paper.
8. To begin assembly, start on the right outside edge of your pumpkin, add some Multipurpose Liquid Adhesive to the wooden pumpkin.
9. Dip your paint brush into some water to moisten it making sure to remove excess water. Spread out the Multipurpose Liquid Adhesive to the edges of the pumpkin. (See video).
10. Add some Multipurpose Liquid Adhesive to the back side of your Gilded Autumn Designer Series Paper.
11. Adhere the section down onto the wooden pumpkin.
12. Repeat with the second section on the right-hand side.
13. Now move to the left side of the pumpkin and repeat steps 4 through 8 again.
14. Add some Multipurpose Liquid Adhesive to the stem and spread out with the paint brush.
15. Then add some add some Multipurpose Liquid Adhesive to the back side of the stem and adhere into place.
16. Finally add some Multipurpose Liquid Adhesive to the center of the wooden pumpkin and spread out with your paint brush.
17. Then add some Multipurpose Liquid Adhesive to the back side of your Gilded Autumn Designer Series Paper center piece and adhere in place.
18. Run your large leaf from the Stitched Leaves Die though the Stampin' Cut & Emboss machine using the Mint Macaron Card stock. Repeat a second time.

## **Gilded Autumn Pumpkin Home Decor Project Tutorial**

Assembly Continued:

19. Then cut a small leaf using the Stitched Leaves die and the Cajun Craze Card stock.
20. Adhere the two larger Mint Macaron leaves to the base of the pumpkin stem using your Multipurpose Liquid Adhesive.
21. Then add Stampin' Dimensionals to the back of the Cajun Craze leaf and adhere, layering it with the other 2 leaves as desired.
22. Remove your copper ribbon from the wooden dowel and cut into sections.
23. Adhere each section as desired onto the pumpkin using Mini Glue Dots.
24. Tie a piece of the Mint Macaron ribbon into a large bow.
25. Attach the large bow as desired onto the pumpkin's stem area using Mini Glue Dots. Trim ends as desired.
26. Clean up the edges as desired by trimming any Designer Series Paper that hangs over the edges.
