

Riverside Orthopaedics + Sports Medicine

This NYC Group Practice of (6) Orthopaedic Surgeons and Physicians selected a full floor space in a Landmark Building near Columbus Circle, to consolidate (2) of their medical offices under one roof. The 11,000 Sq. Ft. Medical Facility incorporates:

- (18) Exam Rooms, including (2) sized for Handicap Access
- (2) X-Ray Equipment Rooms and a Fluoroscopy Room
- Private Office for Doctors and central Meeting Room
- A layout which capitalizes on the daylight and views of Central Park
- A palette of warm colors, textures used with innovative lighting solutions
- NYC Landmarks Preservation Commission submission for new window louvers for the HVAC equipment
