

***The Weather Channel Media Solutions, Inc.,
New York, NY***

The Atlanta-based organization has regional sales offices around the country. An ongoing client since 2003, BGA has completed design work at both their Georgia headquarters and their midtown NYC sales offices. Features of the NYC buildout include:

- 18,000 S. F. Offices including Cable and Dot.com Sales, Research and Operations Staff plus a Presentation Room
- A unique floorplan that centrally locates the shared Public Space (Reception, Mailroom, Presentation Room, Pantry and Server) while Departmental and Administrative staff areas occupy the perimeter space
- Integration of Audio-Visual devices in the Multi-Media Presentation Room
- The selection of whimsical, weather-related finishes for the flooring, wallcoverings, glass film and plastic laminates
