

Greetings!

**Michele Boddewyn, AIA, LEED A.P. is a winner of the 2016 SmartCEO Brava Awards**

BGA is proud to announce that Michele Boddewyn, our president, has been named a 2016 SmartCEO Brava Awards winner.

"The Brava Awards program celebrates high-impact female business leaders in three categories: CEOs, Executive Directors of Nonprofits, and C-

suite executives," according to the organization. Award winners possess an entrepreneurial spirit and are exemplary leaders in their companies and their communities.

Michele consistently demonstrates these leadership qualities in both her professional and personal life. She is a highly disciplined, detail-oriented operational expert, with a meticulous and systematic approach to all she undertakes.

An active member of Commercial Real Estate Women (CREW) New York chapter, Michele serves as Membership Chair. She derives great satisfaction from helping women achieve their professional goals.

A strong proponent of literacy and in giving back, Michele serves as the president of the Friends of the Library in Hastings-on-Hudson, New York, her local community.

BGA is indeed privileged and proud to share in the accomplishments of this remarkable woman. Congratulations, Michele, we wish you the best
