The Memorial Fund
OF THE EPISCOPAL CHURCH WOMEN OF THE DIOCESE OF LOS ANGELES

The Memorial Fund was established in 1938. The original fund was established as The Women’s Auxiliary Memorial Bed at the Good Samaritan Hospital with an endowment of $20,000. In 1954, the hospital could no longer fulfill their contract and the monies were returned to the Women’s Auxiliary. At the recommendation of Bishop Bloy, the monies were invested in the Diocesan Investment Trust. Today the monies are used to fund The Medical Ministry Grant and the Emergency Medical Grants that are awarded. It is also used to provide scholarships for those who are in need to attend conventions and other ECW events.

The Memorial Fund continues through interest on the endowment; appropriations of Branches and Donations from Individuals, Parishes or Missions, often made in lieu of flowers for funerals. All donations are acknowledged with a lovely remembrance card. When a donation of $25.00 or more is sent, the name of the deceased is entered into the Book of Remembrance of the Diocese of Los Angeles. If you would like to make a donation in honor of a loved one, please complete the form below.
