

RPRC Falling Plates Course of Fire

These rules are a modification of the NRA rules to develop competition skill. All RPRC range rules will be adhered to.

The match will count BOTH in the Pistol Division of the Club Championship and in the Overall Club Championship.

There will be one center fire competition, and one Rim fire competition.

Match will be held on the 25-yard range.

There will be a **mandatory** match briefing 15 minutes prior to the match to review safety and course of fire.

Total of 24 shots.

TARGETS: 25-yard range 8 inch falling plate targets

EQUIPMENT: ● GUNS: Any Pistol adhering to range rules.

● SIGHTS: Any sights, except sights projecting an image on the target (Lasers) are prohibited.

● TRIGGERS: Release triggers are prohibited.

Revolvers or semi-automatic handguns are permitted. Guns will be loaded with no more than 6 rounds for each stage of firing

- COURSE OF FIRE: Competitors must fire all stages in the standing position from low - ready position.
- Competitors will fire from 10-, 15-, 17.5-, and 20-yard line segment in the standing position.
- This event will be divided into four stages; each stage will have one string, 6 shots per string.
- 24 shots total; targets will be 8" round metal plates:
 - (a) 10 yards - 6 shots in 6 seconds, 1 string.
 - (b) 15 yards - 6 shots in 7 seconds, 1 string.
 - (c) 17.5 yards - 6 shots in 8 seconds, 1 string.
 - (d) 20 yards - 6 shots in 10 seconds, 1 string.
- Ties will be broken by a string at 25 yards until the tie is broken

- Targets do not have to fall to be counted. Painting targets between each competitor is recommended so hits may be identified. The timer will spot hits.
