- **Supplies must be replenished throughout the year as needed.**
- **Permanent Markers and White Out are not permitted in School.**
- **Students will need to have Daily access to their own headphones.**

We've decreased the number of supplies purchased and re-allocated some of the remaining supplies for general grade use. In making these changes, we accomplished two goals:

- ✓ Reduced supply cost for each student
- ✓ Get supplies where they are needed – in the classroom instead of lockers.

Please have your child deliver the items below to his/her homebase on the first day of school. These supplies are included in the supply list totals.
